

REACH

Recognizing and Eliminating disparities in Addiction through Culturally informed Healthcare

Want to learn how to improve care for racial and ethnic minoritized patients with substance use disorder?

REACH is a 1-year educational program for trainees interested in pursuing an Addiction Fellowship beginning July 2023, as well as medical students, APRN/NP and PA Students, and medical residents - from racial/ethnic minoritized backgrounds, all specialties.

Scholars endeavor to be change agents to improve the health and care of racial/ethnic minoritized patients with substance use disorders (SUDs).

- 1-Week Intensive course to include: Advocacy, Racism and Health, Systems of Care, Structural Competency, Harm Reduction, Medical Co-morbidities, and more.
- Scholarly Project to improve health outcomes for racial/ethnic minoritized patients
- Professional Mentorship
- Monthly Webinars

APPLICATION TIMELINE

Funding provided for scholars to attend the Welcome Workshop, 1 conference, and up to \$104,000 for Fellowship programs.

ELIGIBILITY

- In training (i.e., entering fellowship, in residency or school) as of July 1, 2023
- U.S. Citizen
- Racial/ethnic minoritized background (i.e., Black, African, or African American, Non-Caucasian Hispanic or Latinx, American Indian or Alaska Native, Native Hawaiian or Pacific Islander)
